Our independent approach as tankcleaning and IBC cleaning specialist in the north of the Netherlands, nearby Mainport Eemshaven and Groningen Railport, will lead to further optimized services for all our business relations.

Tank Services Groningen is located:

- Nearby Groningen Railport in Veendam, a large inland rail terminal and important logistical junction between the mainports in the West (Rotterdam, Amsterdam, Antwerp,...) and the North (Bremen, Hamburg).
- Nearby Mainport Eemshaven, a deep sea harbour in the North of the Netherlands, providing access to Northern Europe from the North Sea.
- Only 500m from exit 43 "Zuidbroek" on highway A7/E22 Groningen-Oldenburg/Bremen. (Europaweg 31 in Industrial Zone "De Gouden Driehoek").
